# Aims, commitments and risks

## Its aims

### What is the AJ Bell Investcentre ISA and what benefits does it offer me?

The AJ Bell Investcentre ISA is a savings vehicle designed to help you (or, in the case of a Junior ISA, a child), accumulate a sum of money through tax-efficient investment in shares, investment trusts, unit trusts, gilts, corporate bonds and OEICs. It gives you the opportunity to select and manage your own investment portfolio from a wide range of choices.

You can make one-off or regular payments (or 'subscriptions') into the ISA to take advantage of the tax privileges available. You can also transfer existing ISA investments into the AJ Bell Investcentre ISA.

Within this key features document, references to the AJ Bell Investcentre ISA and AJ Bell Investcentre Junior ISA relate, respectively, to the ISAs available to adults and children.

## Your commitment

### What you have to do as the ISA investor

You must ensure that you understand the features, benefits and risks of the ISA, so that you can be sure it will meet your needs and expectations.

You must maintain an ongoing relationship with an adviser registered with AJ Bell Investcentre. As part of that relationship, you must decide on the subscriptions and transfers to be paid to the ISA, and agree and regularly review the investment strategy.

You must ensure that any regular or single subscriptions paid do not exceed ISA subscription limits.

You must agree to be bound by the AJ Bell Investcentre ISA terms and conditions, and to pay the charges set out in the charges and rates.

You must review regularly whether the AJ Bell Investcentre ISA remains appropriate.

## Risks

### Factors that could affect the return you make on ISA investments

The value of investments held in the ISA, and the income from them, can fall as well as rise. You may get back less than the amount invested.

Past performance is not an indication of future performance and some investments need to be held for the long term to achieve a return.

You will be able to deal in a range of investments. Some investments carry a higher degree of risk than others. The following are some specific examples of this:

- Smaller companies, the prices of which can be more volatile. There may be a large difference between the buying and selling prices.
- Overseas investments, which may carry an exchange rate risk, and may be based in less well regulated jurisdictions.
- Warrants and other highly geared investments, the prices of which can be extremely volatile.

Some investments are described as complex financial instruments. If you invest in these you should be aware that you may lose all your money.

We do not provide investment advice as this is an execution-only service. We do provide information about investments, but this is provided solely to enable you and your adviser to make investment decisions and so must not be treated as a recommendation. If you need advice to determine whether an investment is suitable for you, you must consult your adviser.

If the value of the ISA is small and/or you deal frequently in small amounts, dealing costs may be disproportionately high and the value of the ISA may be eroded.

You should note that the rules relating to the taxation of ISAs and of capital gains and income from investments held within them are subject to change.

Having considered these risks, if you have any doubts about the suitability of the AJ Bell Investcentre ISA you must seek advice from your adviser.

## Questions and answers

### Could this ISA be right for me?

The AJ Bell Investcentre ISA could be right for you if you:

- are looking to build up a portfolio of investments in a tax-efficient way
- understand that growth is not guaranteed
- want unrestricted access to your money (money held in the AJ Bell Investcentre Junior ISA cannot normally be taken out until the child reaches 18)
- require access to a wider range of investment opportunities, such as investment in a portfolio of listed stocks and shares

If you have any doubts about the suitability of the AJ Bell Investcentre ISA you should contact your adviser.

### Can I have this ISA?

You can join and subscribe to an AJ Bell Investcentre ISA if you are resident in the UK and aged 18 or over.

An AJ Bell Investcentre Junior ISA can be opened for anyone under the age of 18 and who is resident in the UK.

Only someone with parental responsibility for the child can set up a Junior ISA. This person must be aged 18 or over and be resident in the UK.

## What are the ISA charges?

Full details of the ISA charges are available at [www.investcentre.co.uk](http://www.investcentre.co.uk).

### Adviser charging

Your adviser will discuss their charges and agree them with you. For advice relating to your ISA, you can either pay these charges directly to your adviser, or we can arrange for them to be deducted from your ISA. If you decide to go for the latter option, you will need to complete either the adviser charging section within the application form, or the adviser charging variation and additional payment form. If your adviser charges are paid from your ISA, the value of the ISA will reduce accordingly.

## What other terms and conditions apply to this ISA?

Your adviser will provide you with a copy of the full AJ Bell terms and conditions. A copy is also available at [www.investcentre.co.uk](http://www.investcentre.co.uk).

## Subscriptions

### Who can pay subscriptions into an ISA?

You can pay subscriptions into your AJ Bell Investcentre ISA if you are aged 18 or over, are resident in the UK and have not subscribed to another stocks and shares ISA in the current tax year.

Subscriptions can be paid to an AJ Bell Investcentre Junior ISA and to a cash Junior ISA in the same tax year. This is subject to a combined limit of £4,368 per tax year. Any subscriptions paid to the AJ Bell Investcentre Junior ISA are treated as a gift to the child.

Once your ISA is set up you can pay single subscriptions and/or increase/decrease your regular subscriptions at any time, subject to the minimum and maximum subscription levels described below.

### Are there any minimum and maximum limits, should I wish to make a subscription?

The minimum single subscription is £500. There is no minimum level for your regular monthly subscriptions.

Your subscriptions across all adult ISAs must not exceed the annual subscription limit for ISAs (£20,000 in £2019/20).

Subscriptions to Junior ISAs are limited to a maximum of £4,368 in a tax year. The payments can be split in any way between a cash ISA and a stocks and shares ISA, but a child may not hold more than one of either type of ISA at any time.

## How can subscriptions be paid?

Single subscriptions can be paid by cheque or electronically. Requests to make a subscription by electronic payment can be submitted by the adviser on our website. The relevant bank details and a unique payment reference will be provided as part of this process, removing the requirement for any paperwork to be submitted. Electronic payments also help to prevent any delays in funds being applied to your account.

Regular subscriptions must be paid monthly by Direct Debit. Subscriptions paid by Direct Debit will be taken on the first working day of the month. Contributions paid by Direct Debit will be taken on the first of the month, or the next working day if the first is not a working day.

## What is the annual limit for adult ISA subscriptions?

The annual limit for subscriptions is £20,000 in tax year 2019/20.

If you have already subscribed to a different stocks and shares ISA in the current tax year then you are not permitted to subscribe to the AJ Bell Investcentre ISA for the remainder of the tax year.

If you have subscribed to another type of permitted ISA in the current tax year, then you may subscribe to the AJ Bell Investcentre ISA but the combined total of subscriptions must not be more than £20,000.

## What is the annual limit for Junior ISA subscriptions?

The annual limit for subscriptions is £4,368 in tax year 2019/20.

The subscriptions can be made to a cash Junior ISA or a stocks and shares Junior ISA, or can be split between the two. A child may hold both a cash Junior ISA and stocks and shares Junior ISA, but may not hold more than one of either type at any given time.

## Transfers

### Can I transfer existing ISA investments into this ISA?

Yes, you can transfer from any ISA to the AJ Bell Investcentre ISA.

Please note that you will be responsible for instructing the ISA manager to make the transfer from your existing ISA(s). It may take some time for us to receive the transfer payment from your existing ISA manager.

## Can I transfer an AJ Bell Investcentre ISA to another ISA?

You can transfer the value of an AJ Bell Investcentre ISA or Junior ISA to any other ISA manager at any time.

The transfer can be in the form of a cash payment, in which case you will have to sell all of the investments held under your ISA before the transfer is completed, or you can transfer them in their existing form.

## Can I transfer a Child Trust Fund (CTF) into a Junior ISA?

Yes, you can transfer a Child Trust Fund into an AJ Bell Investcentre Junior ISA.

## Investments

### Which investments can I deal in?

You can invest in any securities that are quoted on a recognised stock exchange and that are settled within CREST. This range covers securities across UK and more than 20 overseas markets and includes:

- shares (including AIM shares)
- more than 4,000 unit trusts and OEICs (of which over 3,000 are clean share classes)
- Government bonds
- corporate bonds
- Permanent Interest Bearing Shares (PIBs)
- investment trusts
- Exchange Traded Funds (ETFs)
- Exchange Traded Commodities (ETCs)

### Can I make regular investments?

Yes you can. Our regular investment service allows you to invest every month without incurring dealing charges in our regular investment funds universe, any FTSE 350 share, selected ETFs, ETCs and investment trusts.

Setting up a regular investment is simple and once we have received your instruction, we will automatically make your deals on the 10th calendar day of each month (or the next working day).

Obviously, for us to make your deals, there must be sufficient money in your customer cash account to pay for them. If there is not, we will not make the regular investments on that given month and will try again the next month.

Your adviser is able to amend your regular investment instructions up until midnight on the ninth calendar day of each month (or midnight on the day before the regular investment dealing day).

## Do I pay tax on any dividends or gains within my ISA?

There is no tax to pay on any dividends or capital gains.

No tax is deducted from any interest paid on cash.

## How do I obtain a valuation of my ISA?

You can obtain a valuation of your ISA at any time via our website. An online cash transaction summary is also available.

## Are there any restrictions on what I can invest in?

Yes, your ISA cannot invest directly in:

- warrants
- private (unquoted) shares

You cannot borrow any money under your ISA.

## Withdrawing money from your ISA

### When can I take money out of an ISA?

Cash can be taken out of an AJ Bell Investcentre ISA at any time as either a one-off payment or by setting up a regular withdrawal facility.

You can either withdraw the full balance held in your ISA, or withdraw part of the balance. There is no charge for withdrawing money from your ISA, although you may need to pay dealing charges if you need to sell investments.

Please also note that the AJ Bell Investcentre ISA is not a 'Flexible ISA'. Once money has been withdrawn from the ISA you will only be able to pay it back in if you have not paid to a different stocks and shares ISA in that tax year, and you will be subject to the annual subscription limits.

Cash cannot be taken out of the AJ Bell Investcentre Junior ISA until the child is 18 years old. When the child reaches 18 the AJ Bell Investcentre Junior ISA will be converted to an AJ Bell Investcentre ISA.

### Can I set up a regular withdrawal facility?

Yes. Our regular withdrawal facility allows you to withdraw an amount of money on a regular basis (i.e. monthly, quarterly, half yearly and annually).

This can be a fixed amount or alternatively your consolidated natural income (this is all income generated from your investments that has been paid into your cash account). Payment will be made to your nominated UK bank/building society account by BACS on the first working day of the month. Your money should be available in your nominated bank/building society account within four working days.

You can change the amount or frequency or stop the payment at any time.

You can view your nominated bank/building society account in the secure area of the website under the 'My details' option.

Where you elect to receive consolidated natural income, then income accrued will not be included in the cash available for investment.

### **What happens to the ISA if I die?**

Where the holder of an AJ Bell Investcentre ISA dies, their ISA will retain its tax benefits until the earlier of the completion of the administration of the estate, the third anniversary of the death or the closure of the account.

A spouse will be entitled to pay the additional permitted subscription (APS) equal to the higher of: the value of the deceased's ISA at their death, or the value at the point the account is closed. Any interest, dividends or gains arising on investments after death will continue to be tax-free.

### **What happens to the Junior ISA if a child holding it dies?**

Once we are advised of the death we must take steps to close the Junior ISA, as it ceases to be tax-exempt from the date of death.

We will liaise with the persons dealing with the estate regarding the sale of any investments, and so it is important that they hold details of the Junior ISA.

Basic rate tax will be payable on any growth or income from the Junior ISA after the date of their death. We will pay this to HMRC.

Further information about your cancellation rights is included in the AJ Bell Investcentre ISA terms and conditions.

### **Are there any compensation arrangements covering my ISA?**

Yes. The Financial Services Compensation Scheme (FSCS) has been set up to deal with compensation if firms are unable to meet claims made against them.

Individual investments held in an ISA are protected up to £85,000 per investment, per individual. This is on the proviso that the investment itself is authorised by the FCA. Shares and equities are not authorised by the FCA, so they are not covered by the FSCS. Most funds and collectives, however, are authorised by the FCA, so those that are authorised will be covered.

In the event of default by AJ Bell itself, following which you incur a loss, you can make a claim via the FSCS. Under current rules, the FSCS will pay compensation of up to £85,000 in the event of the failure of any party in relation to the ISA, with the exception of the bank where cash is held. Any cash that you hold in your ISA account is held across a number of carefully selected banks (each of which are separately covered under the FSCS). In the event of one or more of these banks failing, cash held on behalf of your ISA is protected up to £85,000 in relation to the balance held with each banks. For further information please contact us.

Further information about the compensation arrangements is available from the Financial Services Compensation Scheme ([www.fscs.org.uk](http://www.fscs.org.uk)).
